# Cruise Capital of the World

The modern-day cruise industry began at the Port of Miami more than four decades ago, and, since that time, the indisputable Cruise Capital of the World has continued to build upon its reputation as the finest home port anywhere. In fiscal year 2008, the Port of Miami looks to handle a multi-day passenger count of nearly 4 million, more than any other port in the world.

Through its cruise industry partners, the Port of Miami offers a world-class line-up of cruises varying in lengths, from three- and four-day Caribbean itineraries to much longer voyages that offer sailings to all corners of the world. The Port is proud to be home to the world's most distinguished cruise lines – Azamara Cruises, Carnival Cruise Lines, Celebrity Cruises, Crystal Cruises, Fred Olsen Cruise Lines, Norwegian Cruise Line, Oceania Cruises, and Royal Caribbean International.

The Port of Miami provides the ultimate passenger facilities and gives cruise vacationers the opportunity to conveniently extend their warm-weather vacations into Miami's tropical tourist mecca. Miami-Dade County offers first-class accommodations, world-class dining, multi-cultural attractions, endless shopping and fun-filled beaches.

## Passenger Terminals

Miami has state-of-the-industry facilities that offer the ultimate in passenger amenities while being maintained to the highest standards. To continue its position as a world-class facility, the Port is continuously preparing for the next generation of cruise vessels. Passenger Terminals D and E opened in fall 2007 with the capability to accommodate new mega vessels carrying up to 5,000 passengers. These ultra-modern, three-story buildings have among their special design features a VIP lounge, integrated security and inspection functions, automated baggage handling systems and a host of other modern amenities. Additionally, they feature a one-stop federal multi-agency facility for passenger processing. The Port is also advancing plans for a new ninth cruise terminal.

## Miami's Newest Vessels

The Seaport welcomes the 2008 cruise season with a number of new cruise ships to its line-up. Fleet additions include the 694-passenger *Azamara Journey* and the 710-passenger *Azamara Quest*, boutique vessels operated by Azamara Cruises, a new subsidiary of the Celebrity Cruises brand. Also new to the Port offerings is the *Balmoral* and *Braemar*, operated by Fred Olsen Cruise Lines.

Among the large new vessels sailing from the Port of Miami is Carnival Cruise Lines' 2,974-passenger *Carnival Freedom*, while the port also has the distinction of hosting the industry's largest ships – Royal Caribbean's sister vessels *Liberty of the Seas* and *Freedom of the Seas* – each of which boasts a sailing capacity of 3,634 passengers.
